Intergraf Currency+Identity 2023
Event app

Get ready to dive into the Intergraf Currency+Identity event app! Accessible to registered attendees, from any computer, iPhone, or Android smartphone.

It's a breeze to use and we can't wait for you to try it!

Why use the app?

The app is your go-to hub for instant access to event details, connecting with fellow participants, and networking. In this event edition, all Q&A sessions will happen right in the app, allowing you to ask speakers questions immediately after their presentations.

How to get the app

Check your inbox for an invitation email to the app, sent by the Intergraf Team at mailto:intergrafconference@intergraf.eu. If you don't see it, be sure to take a look in your Spam folder.

Download the mobile app from the Apple and Google stores by scanning the QR codes or clicking on the links below. You can also simply search for 'Intergraf' in your app store.
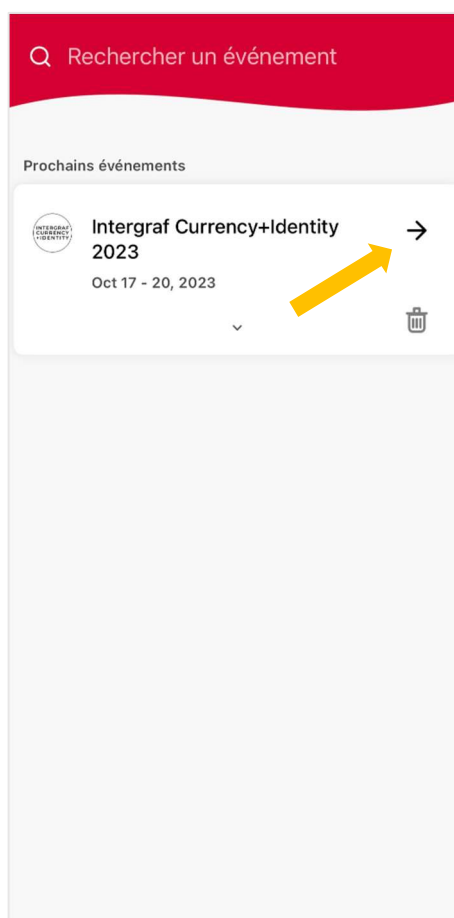

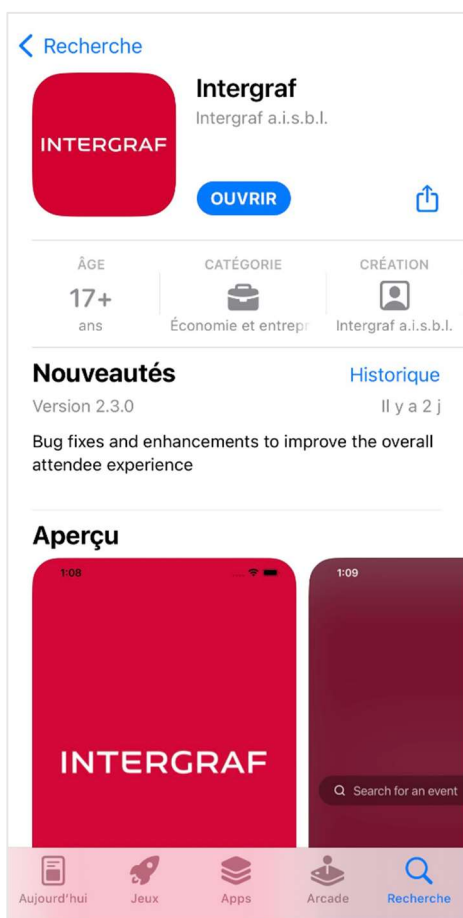

Apple: https://apps.apple.com/us/app/intergraf/id1480655794

Google: https://play.google.com/store/apps/details?id=mobile.appj6DMH7GBor

After clicking the link to the app store, you can easily locate and download the app.

Once it's downloaded and you open it on your phone, you'll be greeted with the page below. Simply click on 'Intergraf Currency+Identity' to gain access to event details and networking.
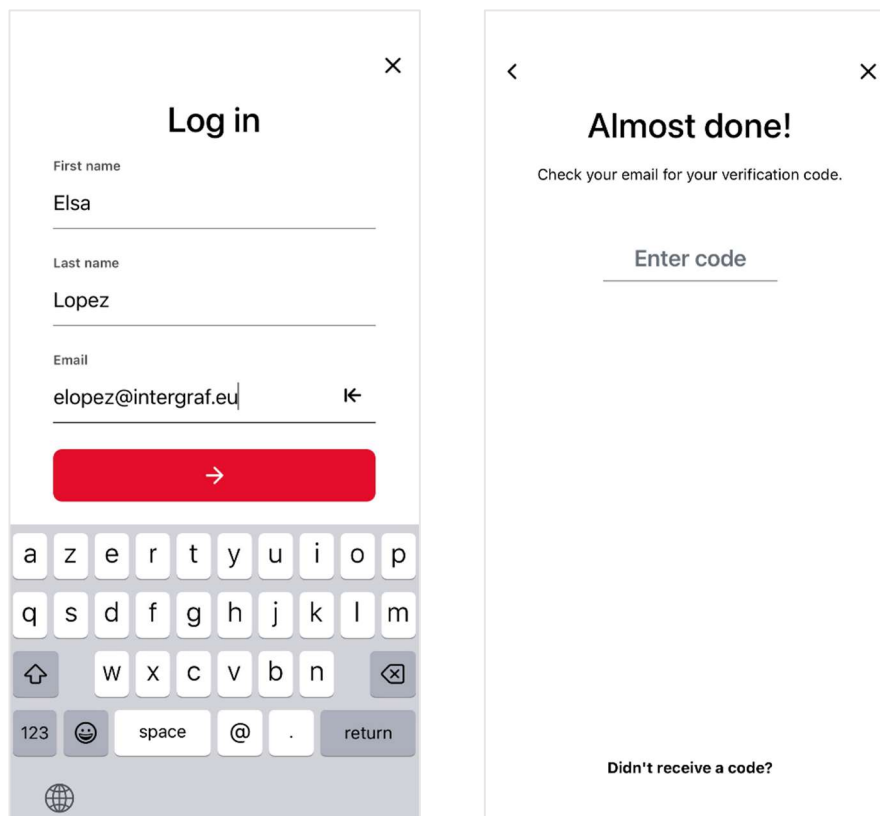

Registration

When you access the event platform via the mobile app, you'll be prompted to provide your **First Name, Last Name, and Email Address**. Please ensure that you use the same email address you used to register for the conference with us. After clicking 'next,' you'll be asked to enter a **verification code**, which will be sent to your email.
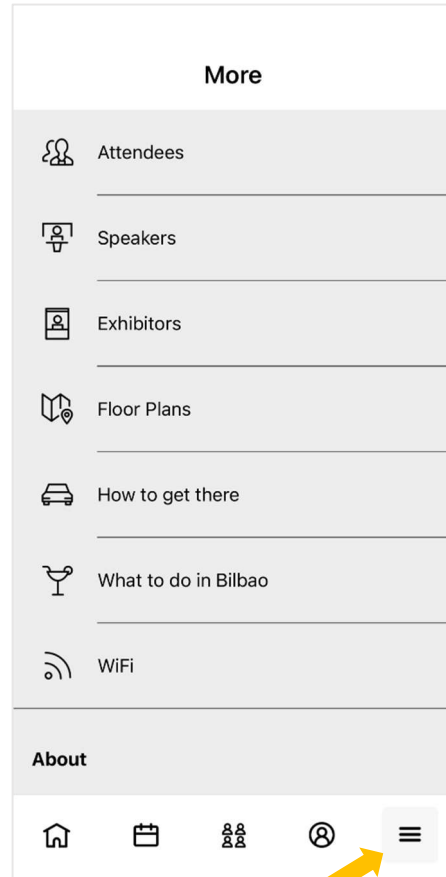

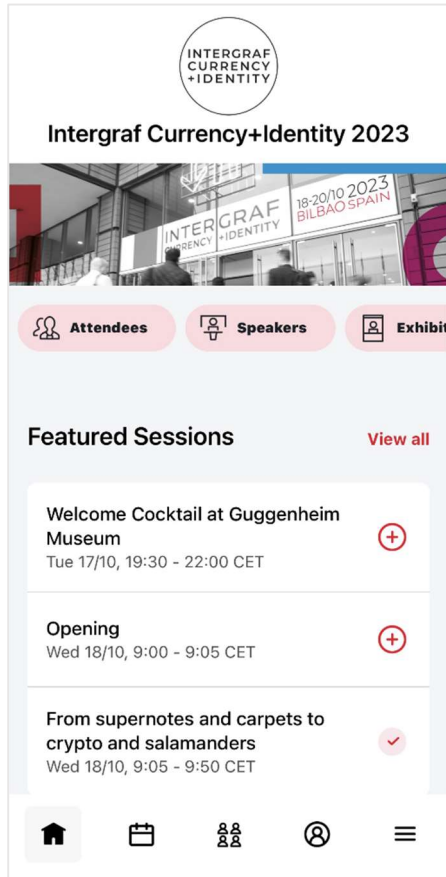

Cannot find it?
Take a look at your junk folder (or Other tab if using MS Outlook): it may have landed there instead. The email containing the code will be sent from intergrafconference@intergraf.eu.

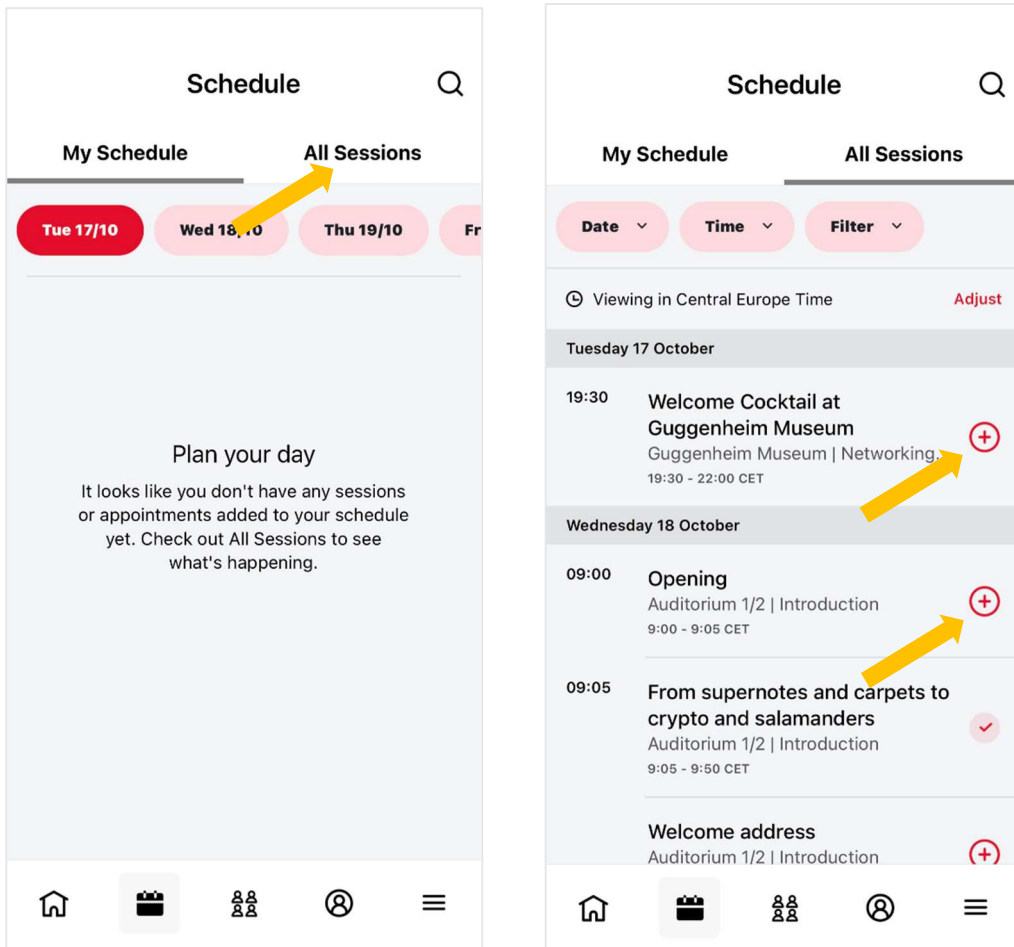

After entering the verification code, you'll gain access to the app. Congratulations!

Just a heads-up, you'll need to log in again after 24 hours.

Event app

You can create **your own schedule** by adding sessions from the "**All Sessions**" tab.

Don't forget to add all the sessions you plan to attend to your schedule.

For the Q&A sessions, make sure to add them to your schedule first to be able to ask questions to the speakers.
