## TERMS & CONDITIONS

### 1. Definitions

These Virtual Exhibition Terms & Conditions will serve as the agreement (this "Agreement") between the Exhibitor and INTERGRAF a.i.s.b.l. for Exhibitor's participation in the digital conference and exhibition "Intergraf Currency+Identity" which will take place online from 24 to 26 March 2021.

"Intergraf Currency+Identity Online" is an Event open exclusively to security printers, suppliers to security printers, central banks, government authorities, law enforcement, and industry-specific digital solution providers. All participants have submitted detailed documentation to enable Intergraf's Committee of Experts to assess their eligibility. Intergraf reserves the right to refuse participation if the required criteria are not met.

In these Terms & Conditions:

- a) the term "Organiser" means "INTERGRAF a.i.s.b.l."
- b) the term "Exhibitor" means the person or company to whom a space at the virtual exhibition has been granted by the Organiser
- c) the terms "Exhibition" and "Event" refer to "Intergraf Currency+Identity Online"

These Terms & Conditions contain the entire agreement between the Organiser and the Exhibitor and may not be changed orally, but only in writing signed by a duly authorised representative of the Organiser. An Exhibitor's own terms and conditions of purchase or other terms and conditions shall not apply to this agreement.

### 2. Application for a virtual space

Application for a virtual space must be made via the dedicated online booking form and submitted to the Organiser. The application will constitute the Exhibitor's commitment of participation and acceptance of these Terms & Conditions.

The application shall not be deemed to be accepted until approved in writing by the Organiser. The Organiser reserves the right to determine or verify eligibility of the Exhibitor for inclusion in the online Event. The Organiser also reserves the right to prohibit display or advertisement of services/products at any time if display or advertisement of such services/products do not meet the Event's criteria and objectives.

Virtual space renting fees are set out in the online booking form and on the Event's website.

For the fees paid by the Exhibitor, the Exhibitor shall have the right to have a virtual space at the Event. The Organiser will provide requirements to the Exhibitor that must be met in order to participate including minimum internet speeds, camera, audio and access to specific online meeting platforms.

Subletting or sharing of virtual space is prohibited. The Exhibitor may not display advertisements, services, products or signage in their virtual space from other eligible non-exhibiting companies.

### 3. Payment & cancellation

Payment is due upon submission of the online virtual space booking form and receipt of invoice from the Organiser. The virtual space is not secured until payment is made in full.

All payments are non-refundable and no refunds will be made for any reason, including but not limited to war, fire, strike, government

regulation, communicable disease, pandemic, public enemy or other cause, even if the Event or any part thereof is prevented from being held.

All invoices relative to the rental of the virtual space and additional services linked to the virtual exhibition will be exclusively issued to the invoicing address mentioned in the online booking form. No invoice will be issued to other companies participating in the virtual space or any supplier of the Exhibitor.

Any Exhibitor who cancels their virtual space must formally notify the Organiser in writing by email at [cmunteanu@intergraf.eu](mailto:cmunteanu@intergraf.eu). No refund will be made.
